These warnings may be given in a variety of different formats including text messages and voice mail messages to cellular and/or home telephones. Employees and students are encouraged to update the front office whenever their phone numbers changes to help assure timely receipt of messages.

STATEMENT CONCERNING SECURITY OF FACILITIES

Green Country Technology Center understands its mission in providing education to the students, including access to the facilities. It is equally important that we be aware of our responsibilities to our students, our employees, and the public in providing a secure and safe environment in which to study and work. Protection of the facilities and equipment is also considered.

- There are scheduled times for all building lockups. Green Country Tech maintenance staff performs these duties.
- Classrooms are kept locked at all times. Students may be authorized to be in a classroom when class is not in session only under the direct supervision (physically present) of a faculty or staff member.
- No building keys will be issued to students nor will a faculty or staff member loan a building key to a student or non-employee. The only exception by the district is with permission of the administration.
- Law enforcement agencies will also make periodic surveillance checks.

STATEMENT OF POLICY ON CAMPUS LAW ENFORCEMENT

Green Country Technology Center contracts with Oklahoma State Institute of Technology for surveillance services and local or county law enforcement services for its campus. These officers help provide a safe campus environment for students, staff, and visitors. Law enforcement officers perform a variety of tasks, which include investigation of criminal activity, apprehension of criminals, accident and fire response.

Green Country Technology Center maintains an excellent working relationship with local law enforcement officials. Serious crimes and other incidents that are deemed to be of interest to State and/or local agencies are reported to those agencies. All serious crime is reported to the Oklahoma Bureau of Investigation (OSBI) Headquarters for publication in the annual Uniform Crime Report.

Green Country Technology Center encourages all persons to report criminal or suspicious activity to a Green Country Tech administrator who will take appropriate action after analyzing and investigating the seriousness of the incident.

STATEMENT OF PROGRAMS AND SECURITY PROCEDURES AND PRACTICES

The campus security report is available to all Green Country Tech students. Upon enrollment all students receive a copy of the handbook, which includes a section that describes how and where students can locate GCTC’s ANNUAL SECURITY REPORT 4 October 1,2016
this report. Also available to students is the Right-to-Know/Campus Security Act pamphlet. A copy of this consumer information guide, along with the pamphlet, is available in the central office, guidance office, financial aid office, and in all administrative offices. The Annual Campus Security Report is also available at the website www.gctcok.edu.

Green Country Technology Center maintains a weapons free environment. Any student in this school district who uses or possesses a firearm at school, at any school-sponsored event, or in or upon any school property including school transportation or school-sponsored transportation will be removed from school for not less than one full calendar year. Any student who violates this policy may be subject to discipline, which may include suspension of up to one full calendar year (for firearms) or for any term less than one calendar year (for weapons other than firearms) as determined by the superintendent or designee.

Green Country Tech Crime Prevention activities may include but are not limited to crime prevention seminars for students, staff, and faculty. Green Country Tech is a NIMS compliant campus through the Department of Homeland Security.

**CRIME PREVENTION**

Administrators and employees of GCTC work closely with local and state law enforcement officials to educate both secondary and adult students on how to protect themselves and their property. This is accomplished through campus wide assemblies, classroom orientation, and individual student and employee conferences. Campus-wide assemblies are held annually and orientation is conducted with each entering class. New employees complete a year-long orientation to all campus policies and procedures, including security.

Crimes occur in all sectors of society, and such problems exist on school campuses as well. To assist you in your efforts to avoid becoming a crime victim, Green Country Technology Center provides this safety and security information for your use. Crime prevention materials and reporting procedures are included in the employee handbook and the student handbook. The campus provides many cameras that monitor activity and areas around the campus. These cameras are operated by the administrative staff and their designee.

**TIPS TO AVOID VICTAMIZATION**

The following suggestions are for the personal safety of students, employees, and community members:

- Be aware of your surroundings

STATEMENT OF POLICY CONCERNING ALCOHOL AND DRUG USE AND ABUSE
A statement of policy related to substance abuse and illegal drugs is contained in the Student Handbook. The Drug-Free Campus and Workplace Policy states: Green Country Technology Center prohibits the unlawful use, manufacture, possession, distribution, or dispensing of drugs ("controlled substances" as defined in the Controlled Substances Act, 21 U.S.C. 812" and State Statue Title 63 2-101, 2-608). Violation of this policy is grounds for disciplinary action up to and including immediate discharge for an employee and permanent dismissal for a student. Federal and State laws provide additional penalties for such unlawful activities, including fines and imprisonment. The district is bound to take all appropriate actions against violators, which may include referral for legal prosecution or requiring the individual to participate satisfactorily in an approved drug use/alcohol abuse assistance or rehabilitation program. The district’s policy requires an employee to notify his or her supervisor of a criminal conviction for drug-related offenses occurring in the work place no later than five days following the conviction.

INFORMATION ON PREVENTING DRUG AND ALCOHOL ABUSE
Green Country Technology Center provides information to all students at the beginning of school which are designed to inform students about the Board of Education’s Drug Free School and Campus Policy, to educate students about the dangers of drug abuse, and to provide information about drug counseling and rehabilitation services. Green Country Tech has Drug Free Workplace information available in the front office, the Academic Center, and the counselor’s office.

SEXUAL OFFENSES

SEXUAL ASSUALT
In Oklahoma, sexual assault includes any form of unwanted or involuntary touching or penetration of intimate body parts by a person of the same or opposite sex. This can include being forced to touch someone else. “Unwanted or involuntary” means sexual contact without the consent of the victim, including the use of threats, intimidation, coercion, or physical force. It also includes victims who are unable to give consent because of their age or because they are physically helpless, mentally incapacitated or intoxicated. A sexual offender is often someone known to the victim such as a friend, acquaintance, date, spouse, or family member. Society recognizes the impact of sexual violence on its victims and to address this issue the Campus Sexual Assault Victim’s Bill of Rights was established. The Bill affords sexual assault victims certain basic rights. This Bill of Rights mandates that policies, procedures, and services are designed to ensure that the needs of victims are met and that higher education in Oklahoma creates and maintains communities that support human dignity. To learn more about the Campus Sexual Assault Victims’ Bill of Rights visit http://www.securityoncampus.org
GCTC is responsive to the needs of victims and survivors in accordance with the language and intent of the state’s Campus Sexual Assault Victim’s Bill of Rights. Sexual assault is against state and federal law and is in violation of the student conduct code. Behavior of this kind will not be tolerated and could ultimately result in expulsion from this institution.

REPORTING

Two-thirds of perpetrators are serial perpetrators, meaning that they will typically assault several victims before being caught. With this in mind the District recognizes that the very act of reporting a sexual assault has the potential to prevent future assaults. Reporting the crime can also help victims regain a sense of personal power and control. Victims can report acts of sexual violence to campus staff, Director of Full Time Programs, Mike Carman, or to counselor, Jim Beard who is trained to be an empathetic listener and facilitate access to resources. Victims have the right to choose whether or not they pursue police involvement. Victims who choose to participate in legal action for offenses that occur on campus can contact the Campus Compliance Campus Safety and Security Report 10/1/2014 Page 11 Officer. If the crime occurred off campus, victims should contact the local police. GCTC will work in partnership with local law enforcement authorities for investigations and legal proceedings. Victims interested in pursuing campus disciplinary action should contact Director of Full Time Programs, Mike Carman.

In the event a student or employee is sexually assaulted, the victim should do the following:

♣ Get to a safe place as soon as you can.

♣ Try to preserve all physical evidence. Do not wash, shower, use the toilet, or change clothing if you can avoid it. If you do change clothes, do not wash your clothing, including undergarments; put all clothing you were wearing at the time of the attack in a paper, not plastic bag.

♣ Get medical attention as soon as possible to make sure you are physically well and to collect important evidence in the event you may later choose to take legal action.

♣ Report assault to the police department at 911. Reporting involves telling what happened, where it happened, and a description of the attacker.

♣ Talk with the counselor who will maintain confidentiality, help explain your options, give you information and provide emotional support. You can reach the counselor by calling 918-758-0840 EXT.226

♣ Contact someone you trust to be with you for support.

♣ When a sexual assault occurs, safety and medical attention are the most pressing issues. Victims are strongly encouraged to obtain prompt medical examinations and treatment for possible injuries, sexually transmitted diseases and pregnancy

Victims of sexual offenses will be encouraged to contact off campus advocacy services and community resources.

♣ Oklahoma Sex and Violent Crime Offender Registry is available through the Oklahoma Department of Corrections. [http://docapp8.doc.state.ok.us/pls/sors/?vm=r](http://docapp8.doc.state.ok.us/pls/sors/?vm=r)
Those wishing to identify the location of sex offenders, the following website exists for such purposes: http://docapp8.doc.state.ok.us/servlet/page?_pageid=190&_dad=portal30&_schema=PORTAL30

This registry can be searched by county and lists all registered sex offenders, their reported addresses, and other pertinent information.

**SEXUAL HARASSMENT**

Students attending classes at Green Country Technology Center and employees should be free from sexual harassment and/or a hostile sexual environment. Under Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations, no individual may be discriminated against on the basis of sex in any education program or activity receiving Federal financial assistance. Sexual harassment of students is a form of prohibited sex/gender discrimination. The following types of conduct constitute sexual harassment:

Quid Pro Quo harassment – A school employee explicitly or implicitly conditions a student’s participation in an education program or activity, or bases an educational decision on the student’s submission to unwelcome sexual advances, requests for sexual favors, or other verbal, nonverbal or physical conduct of a sexual nature. Quid pro quo harassment is equally unlawful whether the student resists and suffers the threatened harm or submits and thus avoids the threatened harm.

Hostile Environmental Sexual Harassment – Sexually harassing conduct (which can include unwelcome sexual advances, request for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature) by an employee, by another student, or by a third party that is sufficiently severe, persistent, or pervasive to limit a student’s ability to participate in or benefit from an education program or activity, or to create a hostile or abusive educational environment.

Students or employees should report incidents of possible harassment to the Director of Full Time Programs, Mike Carman, who will investigate. A copy of the complete policy on Sexual Harassment is available upon request.
THE SCHOOL BULLYING PREVENTION ACT (70 OKLA. STAT. § 24-100.2)
The Oklahoma Legislature established the School Bullying Prevention Act with the express purpose of prohibiting peer student harassment, intimidation, and bullying. These terms include, but are not limited to any gesture, written or verbal expression, or physical act that a reasonable person should recognize will: (1) harm another student; (2) damage another student’s property; (3) place another student in reasonable fear of harm of the student’s person or damage to the student’s property; or (4) insult or demean any student or group of students in such a way as to disrupt or interfere with the School District’s educational mission of the student or other students.

Bullying is an individual or group aggressive physical, emotional, verbal or sexual behavior whose intentions are to do harm to others. Bullying can include and is not limited to, name calling, verbal slurs, pushing, hitting, pinching, gesturing, threatening, disrespecting and taking items without permission. GCTC will not tolerate bullying behavior. This conduct shall be subject to the same disciplinary consequences as other misconduct.

Victims of alleged bullying incidents are encouraged to report the situation to a teacher or personnel in the Student Services office. Confidentiality will be maintained, within legal limits, and no reprisals or retaliation will be allowed to occur as a result of good faith reporting of bullying.
